(Note 1) Any consent given by a legal representative, authorizing a minor to apply for a passport following the loss or theft of the latter, also applies to the declaration of loss or theft (the passport declared lost or stolen will be invalidated).

(Note 2) If, taking into account various circumstances, the minor is obliged to apply for the issuance of "Travel Document for Return to Japan" (kikoku no tame no tokôsho) in the place of a passport, any prior consent given by a legal representative, authorizing the minor to apply for a passport, also applies to the request for issuing the said document ("Travel Document for Return to Japan").
